

# MEDIA KIT

A young man with red hair and glasses, wearing a black hoodie and pants, is walking from left to right. He is carrying a black backpack and holding a black cane. He is walking past a large, colorful mural of a woman's face. The mural is painted on a wall and features bold, abstract shapes in shades of blue, pink, yellow, and white. The woman's face is the central focus of the mural, with her eyes looking upwards and her mouth slightly open. The background of the mural is a mix of these colors, creating a vibrant and artistic scene. The bottom of the image is divided into two diagonal sections, one red and one light blue.
